## LRG, BUD SELECT MAGIC HAPPY HOUR

LRG, Bud Select and Complex teamed up at the February MAGIC trade show in Las Vegas for a "happy hour" event at the LRG booth to help kick-start the Vegas trade show. This two-day after-five event was packed daily with the usual LRG hysteria and a sough-after-get-away for trade show attendees.

## PARISH-NATION MAGIC SUITE EVENT

To help Parish-Nation launch their new men's collection, Complex threw an exclusive taste-making event during this past MAGIC trade show at the salon suites in the WYNN hotel in Las Vegas. DJ Neil Armstrong provided the beats while Bacardi Flavors and Bud Select kept the drinks flowing throughout the night.
